Dear Friends,

Thank you for your helpful support of Our Daily Bread Ministries. As we begin a new year, your prayers are so important as we look with anticipation to how God will use our work around the world.

Through the gifts and prayers of friends like you, people like Jerry have had the encouragement of *Our Daily Bread* with them even in the midst of troubled waters.

I heard of the devotional booklets when I was in the Navy as a young sailor. I arranged for them to be sent directly to the ship. The materials greatly assisted me in a hostile and intimidating environment and refreshed and encouraged me to have regular daily quiet times at sea and throughout the lengthy deployments. . . . With the recent advances in technology, I was able to download the ODB app for my smartphone. I have been able to share this information with others who shared their frustration with how to get started in reading their Bible and establishing a devotional routine. Thank you. —Jerry

Thank you for your gifts to the ministry and for sharing our resources with those you know who need them. Together we can share about God's unchangeable character and encourage others to put their trust in Him.

Gratefully,

Rick DeHaan
President
