"The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure making wise the simple." Psalm 19:7

God has given us a great privilege to print and distribute the Word of God around the world. Since 1992, we have sent millions of copies of God's precious Word to many parts of this world. Without a doubt, people need the Bible in their language to understand what Christ has done for them and how they can receive the gift of eternal life. That is what our ministry is all about...**getting the Word of God to as many people as we possibly can. AMEN!**

2019 has been a wonderful year for the Bible Ministry. Scriptures are being sent to many parts of the world through our ministry. God has enabled us to send to places like Paraguay, Scotland, Liberia, Honduras, Chili, Mexico and to the Burmese speaking peoples of the world. In addition, the Scriptures we are sending to Kenya are all printed, and we will start assembling them this month. Also, the container we sent to the Philippines has arrived and the distribution has begun. **Praise the Lord!**

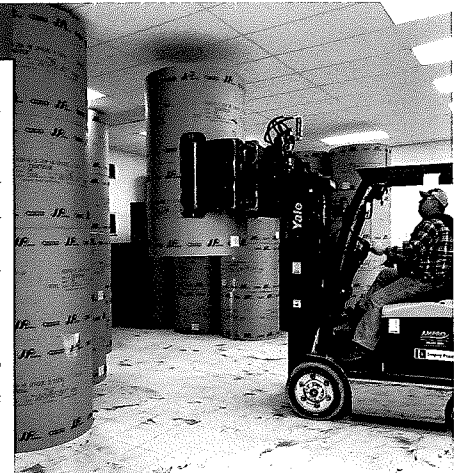

SCRIPTURES GOING TO THE DOMINICAN REPUBLIC

The project for the **Dominican Republic** is completed and ready to go to the country. Praise the Lord! We are getting ready to load the container and ship it to them this month. Pray that all goes well. It will contain about 630,000 Spanish Romans with the illustrated plan of salvation included. We also are sending them 1 million Spanish Gospel tracts to reach the lost for Christ.

READY TO PRINT MORE SAMOAN BIBLES

We have an ongoing project in Samoa with Missionary Jim Civale. They are placing a Bible in every home. What a tremendous blessing! We are getting ready to print another 15,000 whole Bibles for them and they will get them into the hands of the people. The paper we needed for this project arrived this week and now the printing begins. Our **TEAM** of dedicated workers is anxious to get going on the printing and then they will collate and bind them. We are thankful to all the churches and individuals that helped us purchase another truckload of paper for this project. **GLORY!**

We appreciate your prayers and financial support you provide for our ministry. We could not do the work without faithful folks like yourself. May God richly bless you as we labor together for the cause of Christ around the world.
