

Special "MINISTRY TEAM" Report

My Dear Friend,

June 1, 2019

God has deeply stirred my heart for America. As a nation, our moral, cultural and spiritual need is in crisis mode. Recently, many of you have shared with me your concern - thank you! Note that Paul's heart was moved for Israel in much the same way! "Brethren, my heart's desire and prayer to God for Israel is, that they might be saved." We must return to Gospel preaching! We must return to soul winning!

*"Brethren, my heart's desire
and prayer to God for Israel is,
that they might be saved."*

- Romans' 10:1

Individually? Yes! However, to make a difference in our communities, there needs to be local churches on fire for God. We must have Revival! Nothing on this earth has greater potential to change lives and to do God's work in our communities, than a Bible believing, soul winning local church.

Every available weekend will be devoted to "Revival & Soul Winning"

Schedule Your

REVIVAL &
SOUL WINNING
WEEKEND

Revitalizing & Growing the Local Church

After prayer, I feel led to take every weekend available to address this pressing need... to conduct in as many churches as possible a "Revival & Soul Winning" weekend. Regardless of the congregations size, if the desire is present, we will go; even when we have to supplement the expenses. The Witness Project will continue to expand. Our commitment worldwide will not diminish. However, every available weekend will be devoted to this pressing need.

Please review the enclosed flyer for full details on what this special weekend will include. We are already contacting pastors. Please pray that God will lead us to the places of His choice. If God touches your heart to share this with your pastor, please do so. And, contact our office if we can help.

Again, please pray - There's nothing like the Bible believing, Gospel preaching, soul winning local church!! It's beauty is indescribable. It's power is breathtaking. It's potential is unlimited. No other organization on earth is like the church... nothing even comes close!!

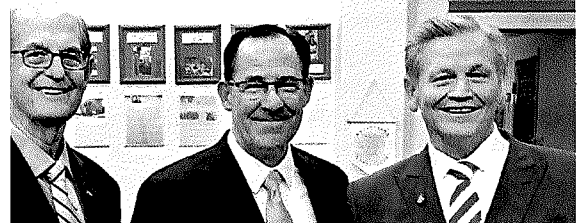

In a minute I'm going to take you to McAllen, Texas to visit one such church. As we do so, let's remember that this is the heart of OUR mission - here at home and worldwide - the Gospel to "Every Creature". Thank You, my friend, for being a vital part of this "Ministry Team".

McAllen, Texas - A Soul Winning Church In Action

Hosting A Soul Winning Conference & Scheduling An ISWDI In 2020

Daryl Miller, pastor of the Maranatha Baptist Church in McAllen, Texas, is a long time personal friend and partner of myself and this ministry. 14 years ago, when assuming the pastorate of Maranatha, he introduced and started the Operation Go Program. His ministry has experienced consistent growth and the baptism waters have been stirred regularly.

David Wood, Gary Ellison, and Daryl Miller

Presently, in his second building project, he reports that 50% of his people have been trained in the "heart beat" of his church, soul winning!! I had the good pleasure of being with them this past Easter Sunday - many were saved, baptized and the Family Life Center was packed! The entire congregation is waiting on the completion of the renovation and expansion of their auditorium. What excitement!

We have scheduled an area wide Soul Winning Conference in McAllen for February 7-8 of 2020. Maranatha will host this Conference. Brother Miller is Coordinating with Gary Ellison, president of Frontier Baptist Missions, to cross the border the following week for a Witness Project event... an International Soul Winning Director's Institute (ISWDI) will be held for that region of Northern Mexico.

Partner Highlight

I can't help but share with you the testimony of Rachel and Rebecca Johnson. They were so excited to tell me that both had won their first soul after learning the "how to" of soul winning in Operation Go. What a blessing! Imagine what would happen if every community across America had a church like Maranatha, pastored by a pastor who believes, preaches and practices soul winning. Thank God for the many that do.... but, not nearly enough!! Please PRAY.....

It's Coming..... September's Special "Team Update"

September's "Ministry Team Update" will contain full information on two very special announcements --

"India Phase 3" - Imagine being able to saturate a nation of 1.1 billion people with the Gospel!! The complete strategy will be given.

"2020s Decade Theme" - Focusing on our mission "the Gospel to every creature". Moving forward with purpose - you'll be excited!

The Witness Project Doors Remain Wide Open

God's open doors for The Witness Project's Gospel outreach for 2019 continue to swing wide! The first six months have allowed us to train and equip more national pastors in soul winning and church planting than any prior similar period of time. PRAISE THE LORD!! Now, as we move into the second half of the year, it seems that everything will accelerate. Let me share a small overview... we must bathe these campaigns, the believers, the National pastors and all preparation in prayer....

The Future Is Bright

The future is as bright as the promises of the Word of God
The next three months are critical. Please allow me to review 2 critical areas that desperately need your intercession....

"India Phase 3" preparation... to meet the September first goal:
Website development - Language Translations - Printing tech work -
Last minute Strategy Details - Video, Graphic and Printing goals
God's leading in the scheduling of "Revival & Soul Winning" weekends...
His leadership and our efficiency in contacting, following up, and
advancing the events. And, for His provision. (Note that our "By Faith"
gifts this month will be used to help on needed expenses.)

July 22-26	San Salvador
August 12-23	Bolivia & Giana
September 9-16	New Zealand
November 11-25	Cuba
November 4-16	Philippines
December 2-11	Kenya
February 10-14	Mexico

As you can see, we have given much attention in this update to ministry in AMERICA..... and, to making a WORLDWIDE impact in the next 6 months. This is so critical! The next 3 months in particular and then the rest of this year will determine much of the impact that we can have in the 2020s..... the decade ahead of us. BIG ANNOUNCEMENTS WILL BE MADE IN SEPTEMBER.

Now, allow me a minute to speak to you from my heart. Your participation in the VISION & MISSION of this ministry has made it all possible. Sometimes we see ourselves as insufficient. The Lord has to remind me often that "Little is much when God is in it"! Your sacrifice and faithfulness are being multiplied.... GREATLY! We can not slow down. Too many souls are at stake..... Thank You, from my heart.

May God continue to bless you mightily.... and, give you a wonderful and fruitful Summer.

Yours For Souls,

David A. Wood, Evangelist
