Columbia, SC 29210

Dear Friends:

Greetings in the name of our Lord Jesus! Thank you for your continued support of this ministry in the amount of \$100.00.

I simply amazed at how quickly the children's summer break has flown by. Their school begins on the 19<sup>th</sup>. They enjoy their break, but always seem to look forward to the routine of school, reconnecting with friends, and extracurricular activities that are available to them. We request your prayers for growth spiritually and academically.

This month we say goodbye to the Perkins family. They have served here at Tabernacle Children's Home for the past nineteen months. Our prayers are with Mr. and Mrs. Perkins, Jamie Lee, Summer Anne, and Rosalyn, as they continue to serve the Lord back with their home church in Columbia, SC.

People often ask what is needed at the home. We definitely could give anyone that asks a list of specific items for purchase. However, we need the Lord's presence in the lives of our children. Too many times our young people can quote back facts, events, and stories from the scriptures, yet still not have a personal relationship with God. That is not to say that some of our children are not saved; quite a few have accepted the Lord as their Savior. They just need the Lord to be real to them! When this happens, it will change their lives. Please bind together with me in prayer that we will see a true revival in our home.

As always, we are so thankful for you. We are grateful for your faithful support, individual gifts, and prayers given to our ministry.

In Christ,

Kathi Sanney  
Director
