

July Letter

Dear New Life Baptist Church ,

Thank you all for your continued prayer and support. We are certainly delighted to be able to tell you all the ways the Lord has been blessing us. The church has been continuing to grow and there are a number of ways we have been able to reach out and be a blessing to the people of Big Timber.

As many of you may remember, last year Tori went through a very difficult time. Due to some complications with a pregnancy, she required an operation. We are now able to praise the Lord that she has made a full recovery and we are expecting our third child this December! Please pray with us that the Lord will offer protection to both Tori and the new baby during the pregnancy and delivery.

The Lord has also opened another door for us to be involved with the people of Big Timber. This past February, I found myself doing some business at the county courthouse. While there, I asked if the sheriffs department needed any help in the position of Chaplain. It wasn't long after that the sheriff personally came out to greet me and told me they did need the help. Since then, I have been able to go through some required training, with still a bit more to go, and have already had opportunities to speak to the men about the Lord. One young man in particular I was able to talk through the plan of salvation while in a patrol car. While he did not accept Christ as his Savior; the seed has been planted and I'm praying that he will come to trust Christ as his personal Savior. This was the first time he had ever heard that Jesus died for his sins and that he did not have to work his way into heaven.

In the coming weeks, we are going through a series teaching on church membership. Currently there are 13 members on our role book, yet many more have been attending. Many of these already give a clear profession of faith. It seems culturally, being an official member is something that is somewhat foreign. I'm praying the Lord will use this to strengthen the commitment of His people to their service in the Lord, and that He will use it to grow His Church.

Thank you all again for your many prayers.

God Bless,

Trevor Martin
