Dear Friends,

I'm so grateful for your generosity and your desire to reach others with the Word of God. The purpose of *Our Daily Bread* has always been to help people understand the Bible and through it grow in a personal relationship with God through Jesus Christ. You are helping to make that possible.

We love to hear stories of those who enjoy our resources. Yet what is really exciting is to hear of lives transformed. In the book of James, James talks about how attitudes, speech, and actions are changed in a life belonging to God: "Do not merely listen to the word, and so deceive yourselves. Do what it says" (James 1:22). This is the work of the Holy Spirit through those who hear His Word and receive it by faith (2 Timothy 3:15-17).

I recently received a letter describing such a life change from a prisoner named Jerry. He wrote of how his day begins with "my Bible and *Our Daily Bread*." He also told us he wants everyone in the world to have a copy of the devotional. Why? He explained, "The Bible and *Our Daily Bread* have changed the way I think, my actions, and the way I speak to others. So I know for a fact that this book would not only be good for the world but it would also change the world for the better."

We're thankful that God is able to use our resources to reach others with His saving message. Thank you for your part. You help make it possible for people like Jerry to hear the Word and experience the life-changing power of God. Thank you!

Gratefully,

Rick DeHaan
