

Dear Friends,

You care about reaching others for Christ. We know this is true because we just received your gift of \$100.00.

Thank you for helping us make an eternal impact! Because of the generosity of friends like you, God's Word extends around the world, the gospel is heard, and **lives are forever changed**. Randy recently wrote to us testifying to this and telling us his own story of transformation.

Randy always dreamed of being a pilot, but he struggled in his teen and college years with heavy partying, and it threatened to destroy his opportunity. During his Navy induction, he failed a drug test. It was one of the darkest times of his life, and instead of training with the new recruits, he found himself chipping paint and scrubbing toilets as part of a Navy drug program.

At the start of this program, he was given a New Testament from The Gideons International made possible by financial gifts like yours. As the program progressed, he developed a habit of reading Scripture and praying, "God, get me out of here!" In time, this habit drew Randy to the Lord, and he accepted Jesus Christ as his Savior!

After he completed the drug program, Randy was able to attend Naval Air candidate school. He was paired with Roger—a devoted Christ-follower who disciplined him over the next two years. Following his service in the Navy, Randy was called into the ministry. He now lives with his family in Ohio and pastors a local church.

What a story of transformation! God certainly heard Randy's prayer and "Got him out of there!"

We want to thank you for supporting transformations like Randy's through your donation to The Gideons International. Your gift makes it possible for Randy and others like him to have access to God's Word when they need it most. It is an honor to join with you in this mission and to pray that many more men, women and children come to know Jesus as their own Lord and Savior.

In Christ,

Dan Heighway
Executive Director
