### Great Need for More Spanish Bibles

**T**ruckloads of the RVG Spanish Bibles are being placed into the hands of multitudes and are being used of the Lord to strengthen believers in the Spanish world. We are thankful for "Hands Across the Borders" in how God is using them to get the Bibles into strategic places inside Mexico. We are delighted to provide the Bibles for them, and we praise the Lord for the great work they are doing. We have just about exhausted our supply of the Spanish Bibles and we must print more as soon as possible. We need about \$22,000 dollars to purchase the paper we need to print the Bibles. If you or your church could receive a special offering for the paper it would be a great blessing. Can we count on YOU?

### One Million Spanish Gospel Tracts

**T**he demand for our Spanish Gospel Tracts is growing rapidly. Over the years, we have printed millions of these "little paper missionaries." They have been distributed in many parts of the Spanish world and many have been saved as a result of getting them into the hands of people that need the Lord. Requests pour into our office on a regular basis for these tracts and we are grateful for the opportunity to get the Gospel message out to the multitudes. We have two major outlets in Mexico: one is Missionary Lacey Wheeler in Irapuato, Mexico and the other is Gary Schwer who lives in Western Mexico. Both are doing a great job in getting out the Gospel to the needy souls of Mexico and we are privileged to provide the Gospel Tracts, the Spanish book of Romans, and whole Spanish Bibles for distribution. Please join us in prayer for this valuable outreach.

### UPDATE: Kenya, Africa Project

**W**e continue to move forward in our project to place 650,000 illustrated booklets of Romans in Kenya, Africa. The excitement is mounting and the anticipation of reaching millions of people with the Gospel is overwhelming. We are in much prayer for this project and would ask you to pray with us as well. Satan is working hard to hinder and stop the Gospel from reaching into the country. It is an intense spiritual battle we face, and we need your prayers to overcome the opposition we face. The container will be shipped sometime around the first of the year. AMEN!
