- Some of the youth in the church are not attending school because of lack of school fees, uniform, & school shoes.

Praise report – Please share the testimonies of what God is doing your ministry and/or life.

The time I entered into the ministry I was full of doubts of whether I will succeed. I thank God for mentors who were around me. They kept on encouraging me by telling me to read the book of 1 Samuel, which strengthened me at all times. I was worried very much on how I could get the plot of the church but, God did a miracle through our missionary. He bought us a piece of land to build our church on. The worries shifted to how we would have a building on the church ground, but right now we have a building though temporary. In this way I have come to realize that whenever God chooses someone as His Servant, the whole bill is God's not mans. We have been teaching the ladies and youth in a series of teaching on how to live a life pleasing to God and how they can bring others to Christ.

List three specific ministry activities that you have been involved with recently.

- Baptism
- Ladies
- Evangelism

What are your overall goals for the next three months?

- To have glasses put on windows and doors.
- To host open air meetings
- To make frequent door to door visitation

How is your family? Or have your spouse/child(ren) write to your Ministry Partner.

My family is fine. My wife is very much moved with your continued support. She is doing very well. My daughter and my five grand children told me me to pass their greetings to you and your entire house.

Please tell your Ministry Partner how grateful you are for their help and sacrifice. Tell them how you used the funds they sent to you.

My beloved Ministry Partner: I say hi to you. I am quite grateful for your support. To be sincere your support has been reaching me the very moment of need. This time round I was wondering of what to do. My elderly daughter's father in law died. I was wondering how I could get the fare to go to the funeral. I believe it is God who whispered to you to support His servant in the ministry. May God bless you physically, materially, and spiritually. I can't lie that I used it one anything else except spare it for my fare to attend the beloved daughter's father in law's funeral. Thank you!

Write on the other side if you need additional space to answer the questions.
