Summer 2020

God is faithful! He continues to encourage us by revealing his handiwork through the lives of people to whom we have ministered this summer. I was asked to speak at Florence Baptist Temple's "Reset" Youth Camp in July. We had challenges to overcome due to the necessary social distancing measures, but the message on "Hell is REAL" seemed to resonate with the teenagers and we had a wonderful response during the invitation. Also, I'm always heartened by those who respond positively to sermons on the subject of witnessing. People are seeing the opportunities the Lord has provided Believers during the pandemic to be Salt & Light. Finally, I was asked to officiate the funeral of a man with whom I shared the Gospel and saw baptized 5 years ago. Thank you for your support!

Even with continued cancellations, we still saw the Lord go some good things this summer:

- June 17 - Wednesday PM at Florence Baptist Temple.
- July 19 - Sunday PM and concert at Harvest Baptist Church in Lugoff, SC.
- July 20 - Youth Camp Speaker for Reset Youth Camp at Florence Baptist Temple.
- August 8 - Wedding reception for my son and daughter-in-law, David and Hannah in Sayreville, NJ.
- September 3 - Sang for the GBBF meeting at Hope Baptist Church in Hartsville, SC
