Trip/ Answer to Prayer

We recently made a rare trip to see my in-laws in Bolingbrook, IL. Our children had a great time with their cousins, and we were glad to see loved ones again. Praise the Lord that we were able to import our car before our trip, but on our return to Canada our alternator on the car went. The Lord had a perfect plan as a relative paid the entire cost of the repair. Also Pastor Miller a local pastor in Iron Mountain, Michigan picked us up for church on that Sunday. First Baptist Church of Iron Mountain ended up giving us two special offerings. We really enjoyed fellowship with Pastor Miller and his family. When we finally were back in Canada our 14 day quarantine started.

Ministry

It looks like initially this fall we will not be running the bus for the children and teens due Covid-19 virus and circumstances. We will be doing a Bible mailbox club as well as working on a short YouTube video Bible lessons. Please pray for Canada as there is a current Bill that could consolidate all emergency powers to the Prime Minister and his cabinet. Currently every 28 days a vote is required to extend the lockdown. If Bill 195-CCLA passes a vote to extend the emergency would no longer be necessary every 28 days when parliament meets. All emergency powers would then be centralized with the Prime Minister and his cabinet alone.

Family

Josiah and Jason are busy back in home school with my wife using the Abeka program. The weather is getting cool, and the animals are preparing for winter as we are also here in Northern Ontario.

Prayer Request

1. Please pray for tracts and Bibles distributed that people will be receptive
2. Pray we can run our bus again
3. God's wisdom in our lives.

Keep looking up Jesus is coming!
