Proverbs 29:18 'Where there is no vision, the people perish...'

Hello Dear Friends,

I don't know where to start this letter. This year has been like a roller coaster, up, down, up and down. Our family did get the virus, but we are healthy today. We did not get to see any family for Christmas, but a supporting church, Freedom Baptist in Nebraska, as well as other churches, made this Christmas unforgettable for us. Our country is in a mess, but we have faith that God will get the glory from this. We had some leave the church, but we had some saved and baptized! Up and down, like no other year before it, but do you know what? God is still good, He is faithful, He is our Lord and Saviour, and I am glad to serve Him.

The church is doing good. We had our annual Faith Promise Missions Conference in December with Pastor Missionary Plato Shepherd. Our Faith Promise commitment for the church increased, and we are praying about taking on another missionary for support. We had a great time with our guest and folks in the church. One of our men, Bro Joe Proffitt, provided prime rib for everyone after our last service, it was delicious. Imagine being the preacher standing between the people and prime rib! We were able to give our missionaries and each of their kids, a love offering for Christmas. We thank God and our people for making this a good meeting. I know some Pastors that are nervous about having Missions Conference, especially now, but each time we've had one, our general fund offerings have increased! Just have faith and try Him.

Our family is doing great. Breanna turned 14 and got her driving permit, so watch out. Ally is growing in the Lord and is a blessing to us. Maggie is almost 8, going on 15. She got some paints and canvases for Christmas, and is doing beautifully. Bonni turned 4 in December and she is sweet as always. They finished their first semester in school for this year. We want to try to make a visit to NC in the spring, Lord willing. If you want us to try and stop by your church while we are there, please give me a call. We will do our best to get everywhere. Please pray about this trip for us. Pray for the finances, the right one to fill the pulpit, and that this virus will clear up so we can enjoy the visit.

Pray for the church and that we can get some families back in. Pray for ones we know God is all over, we can see the conviction in their lives, that they will let go of the sin and come to Christ. Pray for additional support for our family. Please pray for our country and our leaders, and please pray for this virus to go away and for the ones affected by it. Let's keep our eyes on the lost souls, that have no hope, and are looking for the Light. We have the Light and Truth of the Gospel, and the Hope that we have a home with Christ, whenever and however He calls us home.

With Love and Hope, the Lineberry Family-Daniel, Krystal and the girls.
