REACHING THE WORLD FROM OUR CITY!

CHRIST MAGNIFIED

FAMILIES FORTIFIED

04/01/2021

Dear Pastor and Church Family,

Happy Resurrection Sunday!!! Praise God, the Lord Jesus is a risen Savior. This past week has been amazing as my family invited our neighbors over (who were moving to KY). Leah cooked some delicious food and baked brownies to go along with ice cream, after which we got to share the gospel in its entirety with Steve, Kathy, and Luke. They listened intently. I asked them if they had ever accepted Jesus Christ as Savior. Steve said, "we have done that many times". I instantly knew that they were not saved. Sad, they did not make a decision, but the seed of the gospel has been planted. Leah shared her testimony with them. Please pray they get saved. Also, please pray for Ms. Petit the lady who works at the Mapco gas station. I felt convicted to share the gospel with her last Saturday. During our conversation, she told me she would be moving to South Carolina. I shared the gospel with her and gave her a gospel tract with my personal cell phone number. She thanked me for sharing the gospel with her. Our job is to keep sowing the seed of the Gospel, the Lord will save.

Last Sunday we had visitors from Texas and on Wednesday the 17<sup>th</sup> of March, we had Ms. Jeanie (from CA) attend our mid-week prayer meeting through Google meet. She is not saved. Our family is doing well. Please pray for Gideon as he is looking for a more secure Job. The Lord provided Emerald with a good job. Marcus still has online college classes. Leah may need surgery on her right thumb and index finger due to a trigger finger problem. I injured my wrist working on some plumbing problems in our home. Please pray for Emerald's health needs too.

The picture to the right was a screenshot sent to us by one of our church members. Recently, Alex, their 5-year-old was listening intently to the preaching of God's Word. It is exciting to see how God can get a hold of our hearts, even the hearts of our little ones.

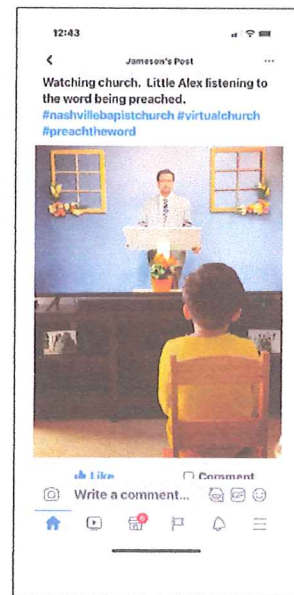

Thanks for your unceasing prayers and financial support. It means a lot. Some of you send us letters, and books, thank you for being so thoughtful. Our search for a building and land is ongoing. The men of NBC meet every second week to pray specifically for a building, land, salvation of souls, and for more families and individuals to be added to our church. I believe God is going to surprise us soon.

With love, prayers, and gratitude,

Richard Jacob and family
