“And it was broken in that day: and so the poor of the flock that waited upon me knew that it was the word of the Lord” (Zechariah 11:11).

Dear Pastor Hamilton:

Thank you in the name of our Lord Jesus Christ for your generous help of \$100.00 for the furtherance of the Lord’s Word in these end times.

It is especially important in our days to put the Word of God on the lampstand, because there are so many—actually, as never before—voices that we hear and read during this time of communication explosion.

We note that it’s “the poor of the flock” who were waiting, who recognized “the word of the Lord.” That is precisely our task: pointing people everywhere to the Source of life, the Word of life, the One through whom all things were created. John 1:3 confirms: “All things were made by him; and without him was not any thing made that was made.”

It is a privilege to participate in the proclamation of His life-giving Word. That we have done uninterrupted, from the beginning of Midnight Call Ministries in 1955, until this day.

Again, thank you very much for your kindness and your continual prayer for Midnight Call Ministries here in South Carolina and around the world.

Thankfully United in His Service,

Arno Froese
