

The Winter Family To Montevideo

June 2021

I pray this letter finds you well. The Lord is good, and I marvel at His faithfulness and yours as well. Heaven only knows how much we appreciate your support and prayers. We truly are grateful and humbled to be supported and partnered with you as we try to start churches in the upper Mid-west and Minnesota areas.

As many of you know my wife and I just had our fifth child, Jude Michael Winter, on May 15, 2021. He was born 10 weeks early, but I am pleased to report that after forty-four days in the NIC Unit, he is now home with us! When he was born, he was a little over three pounds, but he now weighs over seven! He is eating and resting as he should, and it seems all is well with his health! Bethany had three major surgeries but has healed well. It has taken her a little over six weeks to recover. We are so glad to have Jude home and not having to be driving back and forth to the hospital because it was about two hours from our house.

The church is well. We have had a few visitors over the last several weeks. The core group remains and is growing spiritually. I have been encouraged by seeing signs of growth and ownership in the church. Please pray for us as we are now setting our eyes on the harvest. On July 17th - 18th we will be having an evangelistic campaign we have named "Refreshment in the Park". We are going to two towns on Saturday (Appleton and Watson) and two towns on Sunday (Dawson and Montevideo). We will be using our people here at the church and the Steve Perkins family to sing and preach. We also will be serving drinks, candy, popcorn, and BBQ (BBQ in Montevideo only.) We have been canvassing these towns, passing out fliers, and speaking with people about this event. Please pray we will see someone saved during this time.

We are also planning to have a revival service with Pastor Daniel Peoples in October. For the first day of the meeting, we have rented an old Indian mission building where we will be having an Old Fashion Service and have dinner on the grounds. (Being we are in Little House on the Prairie country, we

PRAYER REQUESTS

- 1, Pray for us as we minister here in Montevideo.
- 2, Pray for good health.
- 3, Pray for our people
- 4, Pray for the Winter Family
- 5, Pray for the things mentioned in this letter

will have that theme (for dressing up) for the day.) We are going to be inviting people to come. Please pray they will so they can hear the gospel.

Also, I am excited to announce we are praying about another town to start a Bible study in. We wish to go to this town, start a Bible study, and see if the Lord would call out a group of people to start a church in that town. Please pray for us as we try to work out the details and time to start this work. There is much work to be done in Minnesota, and we are thrilled the Lord has given us a chance to have a small part in it. We truly love the people here and are very concerned about the dark spiritual condition of the towns and places around us. Please pray the Lord will continue to send laborers into His harvest and will ordain elders in every city.

May the Lord Bless you all! 1 Cor 15:58.

Sincerely Yours

The Winter Family
