

The Witte Family *Missionaries to Northern Ontario, Canada*

February-March 2022

Dear Praying Friends,

Recently our pastor has been training my wife and I on our church finances. Being the tax season we were meeting together on Tuesday evenings to go over everything to do with our church finances. We did a self audit for our charity. We also typed and printed everything the Canadian Revenue Agency needed.

This winter has been long with lots of snow to shovel and snow to blow. I am thankful for the snow blower that someone in my church helped me to obtain. I have been able to be a help to several neighbors in clearing their driveways. Our neighbor Russ who broke his leg is healing and doing his own drive now. Our neighbor Mo who lives on the street behind us has come out to church. Please pray for his court case to go favorable for him. Another college lady from the Philippines has been coming out regularly.

My wife and I brought some lap blankets to one of the resident homes we have ministered in, and the activities director thought by April we could come back in. They are one of the few homes that do not have a Covid outbreak. Also, my family and I have been continuing to distribute the gospel cards on the Westside of our town.

Our attendance has suffered during the last two years, but our offerings are doing better. Please pray for us all to be faithful till Jesus returns. I believe the time is short and we are starting to hear of wars and rumors of wars just as Jesus said. Thank you for being co-laborers so we can be here in Canada!

Praises

1. We have recovered from Covid.
2. The Lord is meeting our needs.
3. Our neighbor Kathy who we were able to share a gospel tract with a few years ago has been going through a hard time. Recently she has been asking about our church, and she was really appreciative of a devotional book that my wife gave her.

Prayer

1. Souls to be saved
2. Our children to love and serve God.
3. The Covid-19 mandates to be lifted soon.

Yours for souls,
Jeremy and Jennifer Witte
