Spring 2022

We are grateful to the Lord for everything accomplished this spring! We began our travels in Madison Heights, VA and then on to Englewood, OH where we were given the privilege of training the visitation teams at Temple Baptist Church and Assurance Baptist Church to help prepare them for their summer visitation efforts. We also were invited to assist with the planning, training, and administration of Operation Judaea at Evangelical Baptist Church in Phoenix, AZ. This summer, the church's goal is to reach 15,000 homes with the Gospel. We joined their teams on visitation and Mike was able to lead a Jamaican man named Dane to the Lord. He has been invited to return this fall to speak for their revival as the church celebrates the results of their visitation efforts. In total, Mike was able to train 95 people to share the Gospel this spring. Thanks so much for our faithful support of our ministry!
