Dr. Stan A. Frye, President

November 16, 2022

Pastor John Hamilton
New Life Baptist Church
2825 Ashland Road
Columbia, SC 29210

Dear Pastor John and Beloved Church Family,

Blessed pre-Thanksgiving to you in the precious name of Jesus! I pray that you and your family are well in the Lord, and that you are finalizing things to celebrate our special American Thanksgiving Day! I know that every American believer in Christ has faced three very difficult years because of the Covid Crisis, and because of many other dreadful diseases, which have come to the family of God. And, because of Covid and these other diseases, many of us have seen our hearts broken as we have lost so many of our dear family and friends through death. Yes, those who were saved have gone home to be with Jesus. But, losing our friends for this temporary time still has broken our hearts. I know that all of us look forward to being with these dear ones very soon, either through death or through the Rapture of the Church. But for right now, we must try to endure our suffering by offering to our precious Lord Jesus Christ our strong Thanksgiving and appreciation for the hundreds and hundreds of ways He has blessed us; even with the many trials and heartaches during these past three years. On behalf of my precious wife, I would like to thank God for all of you GIMI Team Members who have prayed nonstop for us, and, for the way you have invested in eternity by your generous gifts to help us keep this wonderful ministry going. There is no way that we could have ever kept this ministry going, were it now for you faithful team members. We offer great Thanksgiving to God for providing you to serve on our GIMI Team. JoAnne and I want to thank you for helping us to reach so many people with the Gospel, and for helping us to reap such a huge harvest of souls, which God has given to us. It is our prayer that God might reward you manifold for your kind generosity and faithfulness.

I would like to especially thank you for your most recent gift of \$50.00 to GIMI, and for all you haven given in the past. I promise you that we will use your gift wisely as good stewards in our attempt to win souls for Christ just as you have so designated. And also, to thank you for helping help us alleviate so much suffering in the prisons, schools, orphanages, large refugee camps, and in the churches by your generosity. I assure you that with you help, we are making a huge difference for so many hurting people. I would like to tell you that just this year, 2022, from January through October, our national workers have been privileged to share the Gospel message with 1,176,947 people in our 14 countries in Africa. And, from this large number of people, God has given us a glorious harvest of 216,672 people making first-time professions of faith through prayer and repentance. We are praising God for this great harvest of souls coming to Christ.

Now, we must pray for these new converts, and, for our workers as they do their best to provide Bibles and other materials to help these converts grow in grace. And, I would also like to praise the Lord for our restarted radio broadcast. During these same ten months of this year, God has given us a huge harvest of almost 9,000 professions of faith in Christ through the radio; most of which have been in Uganda on just three stations. I want to thank those of you who are helping us to purchase the weekly airtime!

Finally, I want to remind you that my wife and I are praying fervently by name for every contributor to this ministry. We count it a privilege to have you on our team. And, we cherish the privilege of praying for every individual, every church, and every organization that is investing in eternity through GIMI. If you have a special prayer request, please send them to us, and, we will pray fervently for these also. Again, I want to thank every one of you that are helping us sacrificially so that this ministry can continue on. Please know that JoAnne and I love and appreciate you so much!!!

Eternally grateful,

Dr. Stan Frye
President of GIMI
