

Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me.

Dear Fellowlabourers in Christ,

The Lord is so good to us, I can't begin to put it all into words, but I will try. Thank you to all the ones that gave for our girls school materials. We are honored you would consider us and appreciate it very much. We were able to get all 4 girls school paid for, including our oldest girls fall college classes. They are doing great in school and we are proud of them. The temperature was over 100 for days and weeks at a time this summer. God kept us safe, and we never lost power (air conditioning!), even though rolling blackouts were happening all around us. Praise the Lord for mercy and grace.

The church is low in numbers, but our nursing home ministry is still growing. Please preachers, take the time to get involved in this ministry, don't take it for granted. The ladies that come to service at the nursing home are so thankful we come and give us lots of encouragement. We enjoy seeing their smiling faces and they spoil our girls when they can. The Lord meets with us, and we feel Him working on folks every service, so please pray for these in the nursing home that need to answer the call of Salvation! Also, please pray with us for 4 families to visit the church and stay this year, as we continue laboring with the people of La Crosse this is our prayer as a church. We have a man and his wife that come off and on to the church, as well as her father, that all need the Lord, please pray them. Please pray for Brother Joe, our faithful man in the church. He is the only witness in his family, and through everything we want him to stay encouraged in the Lord. Please pray for my lost family, some of whom will be out visiting soon. They come to church and listen, pray God pours conviction on them.

We love our town and thank God that He sent us here, help us pray for the salvation of Rush County, Kansas. Alcoholism, divorce, and drugs are rampant here. We have the answer in Christ Jesus, but they don't like to hear it. Young and old are passing on to eternity with weeping, wailing and gnashing of teeth even though a God that loves them and sent His Son to die for them is waiting with open arms. God wants his creation to be reconciled to Him and to spend eternity with Him! Pray that we will be what God needs us to be, to reach the lost. We appreciate you all so much and we are praying for you! With love from Kansas,

Bro Daniel Lineberry and family
