

The Witte Family

Missionaries to Northern Ontario, Canada

August-September 2022

Dear Praying Friends,

Family

Our boys have started back in school. Josiah is doing his schoolwork at the church, and Jason is at home with mom. This seems to help us get through the day more quickly. Jason and Josiah love playing Minecraft so this is used for motivation and incentive in school. Josiah recently took the Myers Briggs Test which shows occupations that work well with your personality. Although there are 16 different personality types for occupations, God knows where Josiah would fit best in work for Him.

Our family is still weekly distributing the Gospel cards on the westside of Sault Ste. Marie, and we all go to the Northern Retirement Home for services again. The residence really enjoy seeing the boys, and in the last few months there have been between 15 to 20 people attending. We are so thankful to share the Gospel with these people. Just I go with one of our church members to the Davey Home because the greater restrictions to get in. The monthly attendance at this service is about 15-20 also. Thank you for praying for us to get back into these homes.

Ministry

Recently I was helping our church neighbor Jean with her hedges. She used to go to an Anglican church, but it closed down during the Pandemic. I did invite her out, but she struggles with walking. Please pray for her spiritual needs. I was able to tell her that more importantly than what church she went too was that she had a personal relationship with the Lord. She agreed with me on this. As we continue to pass out tracts and witness to those in our town, we remember the words of Our Saviour in John 4:35 "Lift up your eyes, and look on the fields; for they are white already to harvest."

On September 21, 2022 we plan to start up our Wednesday evening youth ministry again. We give our workers a break during the summer. Our church family and our family are preparing decorations, lessons, games, and puppet skits. We are excited to see what the Lord will do. Please pray for God to send the youth He wants in our church. Also pray for transportation needs of the youth that come to church.

The future is uncertain in our world, in the Middle East, Taiwan, and in the Ukraine; but in Christ we have security that He never changes and will never leave us nor forsake us.

Praise the Lord, we just finished sealing our church basement foundation and replaced our front sidewalk. We thank God that he has been meeting the financial needs for our building. We greatly appreciate all those who have given to our ministry through the years.
