MRS. KATHI SANNEY - DIRECTOR OF CHILDREN'S HOME

## From Our Director:

*We are praising the Lord for a wonderful start to the school year. The children always enjoy being able to be with their friends who they have not seen over the summer. The beginning weeks of school can be challenging with everyone adjusting to the new academic load and rule changes. However, they seem to be doing well and getting into the swing of things. Thank you so much to everyone who contributed to their school supply and clothing back to school needs.*

*Our Home Board is still researching the best ways to secure our facilities. The cost for these added measures will take your breath away. Would you please pray for wisdom and that the necessary funds will come in?*

*I am so thankful for your faithfulness. We are truly blessed to have you co-labor in this ministry of pure religion.*
